

NHS FIRST MEETING aka. awkwardness

2023-2024 NHS did the first meeting on June 26th!! We did ice-breaking games and introduced each other. It was extremely awkward, but we tried our best to be friendly. After this first meeting, we could get to know each other better!

ALL ABOUT NHS

NHS going to Busan!! NHS did membership training during vacation!!

This was the trip that this year NHS will never forget. We saw the beautiful ocean of Busan and made lots of memories together (Cooking contests, swimming in the ocean, mini-games, etc.....)

NHS also took official photos. It was a hard mission to take photos with 17 people (including Mr. Justin) at the same place. However, we ended up taking wonderful photos together! You can check the high-quality/bigger photos on NHS Instagram!

NHS going to 인생네컷!!

What did NHS do? ”

Do you know that NHS members put lots of effort into our new school building? We came to the new building during vacation and did painting and cleaning for many hours! Try to visit the garden that NHS tried hard fixing it!!
