MANY ACTIVITIES

We played Duck, Duck, Goose for the first game. Everyone had so much fun racing each other!

After that, everyone participated in Green Light Red Light. It was a game full of tension.

The next activity was playing board games with the NHS members! Students worked so hard to win the game.

Passing through the hula hoop quickly helped elementary to unite!

NHS also prepared delicious food for elementary students! Everyone enjoyed their dinner!

Lastly, we picked the day's MVP player. People got special prizes at the end of the party~!!
